Led to the slaughter, your life in their hands
Destroying maiming at will
Spread all around, deep in the group
Trenches for corpses to fill

Advance to attack
Forward to death no retreat
Onward they charge
Running blind to defeat

Battlefield graveyard bodies pile high
Laid to rest where they fall
Merciless war which they had fought
They showed no mercy at all

Advance to attack
Forward to death no retreat
Onward they charge
Running blind to defeat

Another assault, counter attack
Half the battalions gone
Numbers decreased masses deceased
The mindless killing goes on

Advance to attack
Forward to death no retreat
Onward they charge
Running blind to defeat
