War to end all wars
Hatred lost control
Casualties now mounting
Tales yet still untold

Life's eradication
Of man now beyond all reason
Totally insane
The human race becomes

Lest we forget
Thoughts will always haunt the mind
Lest we forget
The bitterness remains

Vast termination
Man made rationality
Complete elimination
Of life beyond brutality

Eternal resentment
Re-occurs time after time
Driven to despair
Extinction drawing near

Lest we forget
Thoughts will always haunt the mind
Lest we forget
The bitterness remains

Lest we forget
The thoughts will always haunt the mind
Lest we forget
The bitterness remains

Commence removal
Of all things valued in life
The persecution
What was once believed right

Humanities objective
Now totally deranged

When ignorance transpires
This world becomes insane
