When glory beckons  
With no regrets  
On this day of sorrow  
The course now set

End of life converges  
A sweet release  
Away from turmoil  
To find peace

Death now approaching  
Where is victory?  
At one with the earth  
For all eternity

Pride now forgotten  
Fighting for life  
Strength decreasing  
Twisting the knife

Now to leave  
Departure of the soul  
With relief  
Eternity unfolds

Do not be sad  
The pulse now gone  
The war of life continuous  
This battle now is won

Mourn no more  
Reaching eternal rest  
Remember with no sadness  
The final request

Now to leave  
Departure of the soul  
With relief  
Eternity unfolds

Eternity unfolds

Unfolds
