[Featuring Dawn Robinson]

Verse One: AZ the Visualiza

The six ease out CD laced digital readout

No doubt cop glocks from the dred fuck the
weedhouse

Yo elegance hate females with no intelligence

Embezzlement got big boys behind the metal fence

Merrill Lynch it's your life Crist alright

Vince on ice sex chicks all types

General status smootheness mixed with malice

Trips to Dallas built a pool in my palace

Who want what from more moneys I want a cut

Extortin start from the corner step on us up

Sixty inch screen laserdisc with the beam

It's my life i'm holding the dice don't intervene

I send a team to smash out your whole plans

No cold hands liquid or hunger to hold grands

From state bids to large cats who lace cribs

It's Firm Biz, y'all know what time it is

Chorus: Dawn Robinson

I'm talking Firm Biz to you baby (Firm Firm Biz)

Talking bout the Firm, that is (Firm Firm Biz)

I'm talking Firm Biz to you baby (Firm Firm Biz)

Talking bout the Firm, that is that is

That is that is Firm Biz!

Verse Two: Nas Escobar

Peep the stee, creepin with AZ

B-12's crazy I ball with the firm's first lady

I brawl with those who hate me

Make me spray I all; hoping for the day I fall

Never that though Black 4 4's for fedz

Like Donnie Brascoe so peep the cappos

Who mack most splash it up with lactose

Pretty thug style, I blow you out slug style

Bent in the Caddy Coupe me and daddy duke

He schooled me on how to stand on my own two

He said son it's all kinda shit you gon' go through

Either you gon' make it or you gon' fall too

Now we headline tours remember me I told you that the
world was yours

Married to the Firm laws

Esco bless flows y'all know me

Laced in the Sony Firm be the hottest click to blow G

Chorus

Verse Three: Foxy Brown

My pops used to warn me never fall victim to the horny

Keep the pussy tight stay that bitch

If i'm gon' fuck lay that dick

Tony get him for his chips and pray he push a six

Now I got game to make the thuggish niggas scream
my name

Hope the panties drop only if I cop

The baby blue drop gotta keep my wrist iced

The baddest bitch yeah the sex is alright

Lace 'em all night going to the crib

Jumping out the range in the iceberg tights

Yeah I know about the five and it's one shut eye

360 wave spinning cat thinkin he Nas

From now 'til the day we shinin keep my diamond

Esco with me in the E reclining top dogs

The illest duo since the Boss name was Hugo

AZ Firm trio stay on the lee low

(Chorus with modifications)
