He's got the potion and the motion  
When I'm feeling low  
When my love starts to flow  
He's got the power every hour  
He's the reason why my face is all aglow

Just one kiss from his lips  
Is like taking Vitamin C  
Oh you can't imagine what  
A doctor does to me  
(Doctor does to me)

Doctor Love  
(Doctor Love)  
He can cure my every pain  
He can make me well again  
Doctor Love  
(Doctor Love)  
He ain't got no competition  
Only he writes my prescription  
Doctor Love  
(Doctor Love)  
Doctor Love  
(Doctor Love)  
Ooh Doctor Love

I needed a major operation  
Never thought that I'd survive  
From a broken heart  
He took me in as a patient  
You better believe he knew where to start

There's no need for me  
To eat an apple everyday  
Oh he's all I'll ever need  
To take any pain away  
(Take any pain away)

Doctor Love  
(Doctor Love)  
He can cure my every pain  
He can make me well again

Doctor Love  
(Doctor Love)  
He ain't got no competition  
Only he writes my prescription  
Doctor Love  
(Doctor Love)  
Doctor Love  
(Doctor Love)  
Ooh Doctor Love

Oh  
(Doctor Love)  
He can cure my every pain  
He can make me well again  
Doctor Love  
(Doctor Love)  
He ain't got no competition  
Only he writes my prescription  
Doctor Love  
(Doctor Love)  
He don't need no office light  
Cuz he operates at night  
Doctor Love  
(Doctor Love)  
What he does is keep me well  
What he does I'll never tell  
Doctor Love  
(Doctor Love)  
Doctor Love  
Ooh Doctor Love  
Doctor Love  
(Doctor Love)  
(Doctor Love)

Doctor Love  
Yes he does  
Oh yes he does  
Squeeze me  
He holds me  
Doctor Love

Doctor Love  
(Doctor Love)  
He ain't got no competition  
Only he writes my prescription  
Doctor Love  
(Doctor Love)  
He can cure my every pain  
He can make me well again  
Doctor Love  
(Doctor Love)
