By the way  
My name is Smarty Pants  
I could win a man  
With just one glance  
And not  
Give my man a run  
Make him believe that he's to blame

[CHORUS]  
They call me Smarty Pants  
Looking for a man  
All it took was just one glance  
From this Smarty Pants

From the day  
I laid my eyes on Dan  
I knew then, I had to win this man  
So I got?  
And I gave him somethin'  
Really goin' on

[Repeat CHORUS 2x]

My first man  
Look like the joke's on me  
There's  
To be

They call her  
(Smarty Pants, Smarty Pants)  
(Smarty Pants, Smarty Pants)  
(Smarty Pants, Smarty Pants)

[Repeat CHORUS 6x]

[SKAT]
