There she goes
With her nose in the air
Funny how love can be

Wonder why she pretends I'm not there
Funny how love can be, girl
Funny how love can be

There she is with that look in her eye
Hasn't got time for me
Does she know how it's makin' me cry
Funny how love can be, girl
Funny how love can be

What a thing to happen
Left without a friend
What a thing to happen
Funny how true love can end

I can tell that she just doesn't care
How can I make her see
I'm in love and it just isn't fair
Funny how love can be, girl
Funny how love can be

What a thing to happen
Left without a friend
What a thing to happen
Funny how true love can end

I can tell that she just doesn't care
How can I make her see
I'm in love and it just isn't fair
Funny how love can be, girl
Funny how love can be

Funny how love can be

Funny how love can be
