What is true when you can't find no  
Pattern in your life? Things will change,  
A better place must come soon or I'll  
Die Bought a new calendar when the old  
Year turned to a new one. It became  
A hobby to control each day 'til december  
I know, I'm aware, people can disappear any day  
Any time, A mother is missing, a friend to  
My sisters will not make it through. I pull down a  
number  
I pull the q-number I've got some thing to ask  
My mother is missing I have a long list  
Of questions for her
