Yeah, you turned me on  
Felt like I was born  
Into a new life but now I am on my own  
It's been a wild time  
Didn't see the sunshine  
Now I just like to be on my own

Think I've been blinded  
Didn't realize me behind  
Your game changed my feelings  
And gave me new wings  
Like a bird I was sailing  
Through the waves I felt save  
In your lovely arms

But I didn't believe

What I got to give  
For this emotional flight  
You tried to shine on your light  
On me made me blind  
My head I couldn't find my soul

Yeah, it's been a nice dream  
Didn't wake up and I seem  
Loosing my mind left all of my life behind  
Couldn't see clearly  
Knocked out my brain nearly  
Now I just like to be on my own
