We're 16, we walk downtown
On streets we walked a
Hundred times. We drink
Coffee, we have nothing to talk
About, we're good friends! Put
A record on the stereo this music
Speaks to me! I steal things too when
I'm bored just like the girl in You're 24
We Better Wake Up! Up!
'Cause there is so much to lose
We Better Calm Down! Down!
So we win it back!
We're 16, we stand here smoking
In our dreams we're left this place
We go hungry, Don't you
Worry some things Changes
In the end
Oh Oh I know
I better pack
My things and
Go oh, I know
Oh Oh I know
I better pack
My things and
Go oh, I know
We Better Wake Up! Up!
'Cause there is so much to lose
We Better Calm Down! Down!
So we win it back!
