We're 16, we walk downtown  
On streets we walked a  
Hundred times. We drink  
Coffee, we have nothing to talk  
About, we're good friends! Put  
A record on the stereo this music  
Speaks to me! I steal things too when  
I'm bored just like the girl in You're 24  
We Better Wake Up! Up!  
'Cause there is so much to lose  
We Better Calm Down! Down!  
So we win it back!  
We're 16, we stand here smoking

In our dreams we're left this place  
We go hungry, Don't you  
Worry some things Changes  
In the end  
Oh Oh I know  
I better pack  
My things and  
Go oh, I know  
Oh Oh I know  
I better pack  
My things and  
Go oh, I know  
We Better Wake Up! Up!  
'Cause there is so much to lose  
We Better Calm Down! Down!  
So we win it back!
