(V1)

When you were by my side.  
I could feel the sparks fly by.  
So when I turned around to hear you say.  
"I don't want you to go away"  
To watch me continue to say  
"I found someone who treats me in a better way."  
But I figured out I'm nothing without you.

(Chorus)

Cause I am Broken.  
These words can't fall into place.  
Cause I am Broken.  
My Heart Can't Beat At The Right Pace.  
Cause I am Broken. Broken. Broken!  
To Pieces.

(V2)

I'm So jaded. Of being hated.  
I want everything back to how it was.  
I still feel your arms holding me tight.  
I sure don't want to lose you tonight.  
I still see that look in your eyes.  
Hopefully what your saying isn't a lie.  
So straight out tell me.  
How did you ever love me?

(Chorus)

-bridge-

Now I have fallen on my knees.  
Begging you please take me back.  
I'm crying my eyes out.  
I'm not trying to pout.  
But I know what your all about.  
Broken.  
Broken.  
Broken to pieces.
