C'mon, c'mon, hey

(Check it out)

(Verse 1)

Who's got paper?

But I shoot boxes

Plenty of cash to straight floss from the gate

You ain't seem grabs this green

Plenty of cream kingpins unsolved the scheme

I got my eyes on you

Geah, you want to ??? down from here to shoot

Got a crew

But you stand out

Miss thing wish I have X-rated vision to peep the G-strings

You know what I mean

Keeps the shit real live

Benz 'round town in a 3-25

Cheques in your coat and float to the arena

??? taps me on the shoulder, Tony have you seen her?

Let my Gators through the snappin'

Crystal sippin', drops along, geah baby what's happenin'?

Hear me, see me

I could, uh, be your geenie, any wish comes true

Be my boo

(Chorus)

Anything you want, anything you need

Anything you want, anything you need

Mr. Tony will deliver til your ???

Diamonds to chronic bud, oh yes indeed

Anything you want, anything you need  
Anything you want, anything you need  
We's be's the pimps

(Verse 2)

Independently hustlin' while you work in your stuff  
Keep your condo pay so you work at MC Gruff  
9 TO 5 paper chasing, geah, I can dig it  
With your 15 hundred dollar brims and your fixed up  
???

No trips to the clinic  
But it straight trips to the club  
With your head hooked up, short skirts straight throwin'  
up love  
Mr Tony know the game ain't playin' nice and soft  
G's around ya in a circle talkin' about take that shit off  
Damn niggas, swingin' on a players boss  
Peeps tha Coup, hits me up with a fucked phone call  
I be's the black desperado  
Five carats with the golden ??  
Gang of parrots, me and you  
King and queen of the hill  
Means the fat links, captain inch nail  
Get down like you live and that's no joke  
Gang of ???? to poke with the endo smoke

(Chorus)

(Verse 3)

Times is hard  
And I can see you're a lil' rebellious  
Now your homegirl kicks the rumours  
In a way too jealous  
Just can't stand to see ya  
With a nigga with grip  
They swallowin' too much dick tryin' to give you some  
lip  
Not trip  
It's too much gossip on the phone  
Need to tell 'em ho's to find some dick on they own  
What's wrong?  
Same old song gettin' a boo  
Drops your back on the block with no more packs to loot  
Snatch back the dollar to diamonds  
Necklace sales  
Versace ?? to Armani dressers  
No more sippin' Crystal anymo'  
Drop a C-5 hun' with the phone  
Leave me alone  
Cause that's the problems nowadays  
These greedy-ass ho's workin' these ways

Tony's no phony, got G's on next  
??? spend my cheques

(Outro)

Geah

(Late nite hype)

C'mon c'mon hey

C'mon c'mon hey

(Late nite hype)

(Check it out)
