Colorful compartments
Desert island views
Elusive in England
Forget the fabrications
Give us all a clue

Have faith in horizon
Intercity interlude
Jack and Jill rub thigh's
And think it's rude
Keeping close along the line
Lovers losing sense of time

In England
Ooh that's nice, ooh paradise

Many manifestos
Nailed up on the wall
Out of the blue
Only for you

Printed regulations
Quick to disapprove
Restrictions, restrictions

Skin and bones can't find a way
The British blues today
Underneath the surface laughter
Voices quiver in the dark

In England
Ooh that's nice, ooh paradise
