(Breathing)
(Feel so...)
Destroy me
Invisible
Movement
Destroy me
Invisible
Ah ? [Destroy me]
Destroy me
Invisible
Movement
(Invisible Movement)
Destroy me
Invisible
(I ? I can?t fight)
[Let me out?] [Romeo]
(Invisible)
(So useless ? So useless I feel alright)
(Invisible)
(Man versus nature; nature veruaoufhsoa) [War] [Man]
Eternal, submission, praise me.
(So ?)
Eternal, submission ? (sigh)
(Domination)
Eternal, submission, praise me.
It never ends ? It never (stops)
I feel so free
Again and again ?
Again and again ?
(I?m going down, (invisible) down, down)
[I?m falling higher]
Again and again ?
Again and again ?
Invisible ?
