Speak to me from your silver screen,  
We'll have no need for a go betwween,  
I can tell from here you've got friendly faces.  
Don't shake your head, at the likes of me,  
Or scream and shout if you got in free,  
I can tell from here, you've got friendly faces.  
You are really nice to know, you know,  
And we're not kidding

I can't perform to a mortuary,  
So come up here and make friends with me,  
I can tell from here you've got friendly faces.  
You are really nice to know, you know,  
And we're not kidding.
