It's not the way you struggle when I kiss you  
And it's not the way you taught me to be thughtless  
It's just your life is as cold as ice  
And nothing can console you  
You have to pay the price  
It's not the way you wake me in the moming  
And it's not the way you wanted me to prosper  
It's just your life is as cold as ice  
And nothing can console you  
You have to pay the price  
The price is high  
Oh Oh Mother  
The price is high  
Oh Oh Mother  
It's not the way you lived with your frustration

And it's not the way you smiled at my achievements  
It's just your life is as cold as ice  
And nothing can console you  
You have to pay the price  
45 45 Do you remember?  
45 45 Do you remember?  
It's not the way you tear yourself to pieces  
And it's not the way you're always understanding  
It's just your life is as cold as ice  
And nothing can console you  
You have to pay the price
