"The Worker"

The hated journey on the train
Always been the same
Looking out windows
Second class and second best
What a waste of time

Sleep for five stops in a row
Prepare yourself to go
Waterloo station
Bought a '69 Capri, failed the M.O.T.

What a waste of time

The worker, the worker
The worker, the worker

Always kiss the wife goodbye
Often wonder why
At seven in the morning
Think it's time for a change
Wouldn't that be strange?
What a waste of time

The worker, the worker
The worker, the worker
