Moanin' and a heavin' on a hot sticky can  
I'm cravin' chocolate Exlax and my G.E. fan  
I'm taggin' on the wall how I got in this jam  
And said, "M.S.G. money Margaritas and my man"  
Storin' up my supper coffee and my snacks  
The shits pilin' up kinda feels like a cramp  
Instant relief is what I need to ease  
The mega colon that's inside of me

Nightmares of my dinner at the China doll  
Thinkin' 'bout my wardrobe gonna get at the mall  
TV guide cosmo I'm runnin' out of mags  
And I just smoked a pack of my cool fags  
Finger in my hole gettin' into the dig  
There's cum stains in my panties and jizz in my wig  
My man calls me cherry, think's I'm uptight  
But I'm gonna blow him off 'cuz I'm dynamite

I'm Sandra H. not Sandra D.  
And my lady Y-Vonne standin' next to me  
She said, "Holy shit," I said, "Yes, that is it"  
Now our mega colon is a big big hit  
Mega colon

Thinkin' 'bout my man it really makes me sick  
The shit got soft steamy slick  
It came out in a blast that was really foul  
Forget the white clouds I need the bounty towel  
I need a new life, I got to reform  
I can't take my strife in this thunderstorm  
I got to be strong, got to be brave  
Don't wanna bear the title this toilet slave

I'm Sandra H not Sandra D  
With my lady Y-Vonne standin' next to me  
We are fly white girls movin' in New York City  
Our rhymes aren't tough but our faces are pretty

We were hangin' out in bars lookin' for a groom  
When we met each other in the ladies room  
She said, "Holy shit," I said, "Yes that is it"  
Now mega colon is a big big hit

Mega colon
