We've somehow spent too much time  
Staying in line  
With screwball attitudes on our minds  
We've run off the track  
The gang's all back  
We're not just donut kids  
It's too late for someone like me

Just get on up like I know you can  
'Cuz currency can only do so much  
And it certainly can't dance  
Can't dance  
Can't dance  
Can't dance  
It's too late for someone like me

Punching the clock, we somehow forgot  
We're not just donut kids  
With screwball attitudes all the time  
It's too late for someone like me  
Too late for someone like me

Just get on up like I know you can  
'Cuz currency can only do so much  
And it certainly can't dance  
Can't dance  
Can't dance  
Can't dance  
It's too late for (too late for)  
It's too late for someone like me  
Someone like me

Sure I need you like anyone else  
And you're no fun if you can't help yourself  
There are many ways to treat a patient  
But dancing's best at beating inflation

Ain't got no arms, ain't got no legs  
Ain't got no eyes, ain't got no head  
Don't wanna be cruel  
Ain't got no arms, ain't got no legs  
Ain't got no eyes, ain't got no head

There's some things I can do and I can't

Just get on up like I know you can  
'Cuz currency can only do so much  
And it certainly can't dance  
Can't dance  
Can't dance  
Can't dance  
Can't dance  
Can't dance  
Can't dance  
It's too late for someone like me

We're not just donut kids  
We're not just donut kids
