All alone

I've gone out  
So many nights  
Nobody's there  
Lost and wasted

Why am I alone?  
Who made me this way?

Natural disaster

All alone, alone

Why am I alone?  
I feel so alone

Natural disaster  
Natural disaster

Oh, this heartless rust  
Who made me this way?

Blinding, spinning, shining  
Bright and burning, ruined, dead, hurting  
Blinding, spinning, shining  
Bright and burning, ruined, dead, hurting  
Light is blinding, spinning and shining  
Bright and burning, ruined and hurting  
Colours are flashing in the dark smoke  
Mirrors the face is hoping

I can remember why I came here before  
I don't know how I feel like I don't know  
I feel like I don't know how will I feel like  
I don't know how I, feel like I don't know

How will I feel, I, how will I feel, I  
How will I feel, I, how will I feel, I  
How will I feel, I, how will I feel, I  
How will I feel
