We need a war  
We need a war to show ?em  
We need a war to show ?em that we can  
We need a war to show ?em that we can do it  
Whenever we say, we need a war

If they mess with us  
If we think they might mess with us  
If we say they might mess with us  
If we think we need a war, we need a war

We need a war  
If we think we need a war  
We need a war  
If we think we need a war

A war to make us feel safe

A war to make ?em feel sorry  
Whoever they are

If they mess with us  
If we think they might mess with us  
If we say they might mess with us  
If we think we need a war, we need a war

We need a war  
If we think we need a war  
We need a war  
If we think we need a war

Can we do it?  
Sure, we can

We need a war  
We need a war

We need a war, we need a war  
We need a war, we need a war  
We need a war, we need a war  
We need a war, we need a war
