Are you going to the party?
Are you going to the Boston Tea Party?
Going to the party?
Are you going to the Boston Tea Party?

Going to the party?
Are you going to the Boston Tea Party?
Going to the party?
Are you going to the Boston Tea Party?

Redcoats in the village, there's fighting in the streets
The Indians and the mountain men
Well, they are talking when they meet
The king said, "Had he's gonna put a tax on tea"
And that's the reason you all Americans drink coffee

Are you going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)
Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)

Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)
Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)

Fire in the mountains, flames upon the heath
And the president spits out the news
He's biting on wooden teeth
The children of the colonies got a different tale to tell
I'm going down to the city, tell my folks that I'm doing
well

Are you going to the party?

(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)
Going to the party?
(Are you going)
Are you going to the Boston Tea Party?

(Are you going to the tea party)

Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)
Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)

Bringing back the buffalo to the long prairie
Bringing back the fishes swimming in the sea
The children of the colonies got a different tale to tell
Tell my folks that I'm going to the city
Tell them that, I'm doing well

Are you going to the party?
(Are you going)
Going to the Boston Tea Party?
(Are you going to the tea party)
Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)

Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)
Going to the party?
(Are you going)
Going to the Boston Tea Party?
(Are you going to the tea party)

Going to the party?
(Are you going)
Are you going to the Boston Tea Party?
(Are you going to the tea party)
Going to the party?
(Are you going)
Going to the Boston Tea Party?
(Are you going to the tea party)

Are you going, are you going?
(Are you going, are you going?)
Are you going, are you going?
Are you going to the party?

Are you going?
Are you going?
Are you going?
