The women was a dream I had  
Who was rather hard to keep.  
For when my eyes were watching hers;  
They closed, and i was still asleep.

For when my hand was holding hers  
She whispered words and i awoke,  
and faintly bouncing 'round the room,  
The eco of whom ever spoke.

And i awoke, and faintly bouncing 'round the room,  
The eco of whom ever spoke.

The place i saw her was far beneath  
The surface of the sea.  
My sight was poor, but i was sure  
The sirins sang a song for me.  
They danced above me as i sank;  
I see them through a christal haze  
And hear their sweet sound bouncing 'round  
The never ending coral maze.  
The christal haze, and hear them bouncing 'round the  
room  
The never ending coral maze.

Then before and now once more i'm bouncing 'round  
the room.

Nap time and once again i bouncing 'round the room

And i awoke, faintly bouncing 'round the room, the eco  
of whom ever spoke.
