And it was morning.  
And I found myself mourning  
For a childhood that I thought had disappeared  
I looked out the window,  
And I saw a magpie in the rainbow, the rain had gone  
I'm not alone, I turned to the mirror,  
I saw you, the child, that once loved  
The child before they broke his heart,  
Our heart, the heart that I believed was lost.

Hey you, surprised? More than surprised,  
To find the answers to the questions,  
Were always in your own eyes  
Do you realize that you could've gone back to her?  
But that would only be retraced in all the problems that  
you ever knew,  
So untrue.  
For she's got to carry on with her life,  
And you've got to carry on with yours

So I see it's me, I can do anything  
And I'm still the child,  
'Cause the only thing misplaced was direction  
And I found direction  
There is no Childhood's End  
There is no Childhood's End  
'Cause you are my childhood friend  
'Cause you are my childhood friend  
Oh lead me on.

Hey you, you've survived  
Now you've arrived,  
To be reborn in the shadow of the magpie  
Now you realize, that you've got to get out of here  
You've found the leading light of destiny,  
Burning in the ashes of your memory  
You want to change the world  
You'd resigned yourself to die a broken rebel,  
But that was looking backward  
Now you've found the light.

You, the child that once loved,

The child before they broke his heart  
Our heart, the heart that I believed was lost  
So it's me I see, I can do anything  
I'm still the child  
'Cause the only thing misplaced was direction, and I  
found direction  
There is no childhood's end  
There is no childhood's end  
There is no childhood's end  
I am your childhood friend  
Oh.. lead me on.
