You say the hill's too steep to climb  
[Incomprehensible] it  
You'd say you'd like to see me try  
Climb it

You pick the place and I'll choose the time  
And I'll climb the hill in my own way  
Just wait a while for the right day

And as I rise above the treelines and the clouds  
I look down, I don't hear the sound  
Of the things you said today  
'Cause I'm fearless

Fearlessly the idiot faced the crowd  
Smiling  
Merciless, the magistrate turns 'round  
Frowning

And who's fool who wears the crown  
Go down in your own way  
And everyday is the right day

And as you rise above the fearlines in his brow  
You look down and hear the sound  
Of the faces in the crowd  
He's being fearless

Fearless, fearless, I'm fearless  
I'm fearless

And I'll climb the hill in my own way  
Just wait a while for the right day

And as I rise above the treeline and the clouds  
I look down and I'll hear the sound  
Of the faces in the crowd  
'Cause I'm fearless

Fearless  
Fearless  
So fearless

And I'll climb, and I'll climb, and I'll climb that hill in my  
own way  
I'm fearless, so fearless  
I'll climb that hill in my own way

Because I'm fearless, yeah  
'Cause I'm fearless  
So fearless, yeah  
'Cause I'm fearless  
So fearless  
Fearless
