I'd be really pleased to meet you  
If only, I could remember your name  
But I got problems with my memory  
Ever since, I got a winner in the fame game  
I'm a citizen of Legoland travelling incommunicado  
And I don't give a damn, for the fleet street  
aficionados

But I don't want to be, the back page interview  
I don't want launderette anonymity  
I want my hand prints in the concrete on Sunset  
Boulevard  
A dummy in Tussauds, you'll see

Incommunicado, incommunicado  
Incommunicado, incommunicado

I'm a marquee veteran a multi-media bonafide  
celebrity  
I've got an allergy to Perrier, daylight responsibility  
I'm a rooting tooting cowboy, a Peter Pan with street  
credibility  
Always taking the point with the dawn patrol fraternity

Sometimes it seems like, I've been here before  
When I hear, opportunity kicking in my door

Call it synchronicity, call it 'Deja Vu'  
I just put my faith in destiny, is the way that I choose

But, I don't want to be a tin can tied  
To the bumper of a wedding Limousine  
Or currently residing in the where are they now file  
A toupee on the cabaret scene  
I wanna do adverts for American Express cards  
Talk shows on prime time TV  
A villa in France, my own cocktail bar  
And that's where you're gonna find me

Incommunicado, incommunicado  
Incommunicado, incommunicado

Sometimes it seems like, I've been here before  
When I hear opportunity, kicking in my door  
Call it synchronicity, call it 'Deja Vu'  
I just put my faith in destiny, is the way that I choose

Incomunicado, incomunicado  
Incomunicado, incomunicado, this is only way  
Incomunicado, incomunicado  
Incomunicado, incomunicado  
Incomunicado, incomunicado
