Old crow hop hop hopping why do you act so
shamelessly,
Old crow hop hop hopping take some time hop over
here

Saw you dance in Vincent's wheat fields,
watch you dance on Rembrandtsplein,
Dance with the devil on the edge of darkness,
you danced them silly you danced them blind,

Saw you dance the Piccadilly shuffle, dance around St
Peter's Square,
Did you hear the rhythms of the lonely, old crow do you
really care?

Sad old crow, bad old crow, mad old crow,
hop hop hopping hop over here!

Old crow caw caw cawing don't you make a fool of me,
Old crow cut with all your laughing, come on down sit
over here!

Old crow tell me all your secrets, old crow don't you tell
me lies,
Old crow living in the city, how do you manage to
survive?

Sad old crow, bad old crow, mad old crow,
hop hop hopping hop over here!

Old crow hiding in the city, why'd you leave the open
fields,
Old crow hop hop hopping time you got some new
ideas!

Dance with your devils on the edge of darkness,
dance them silly dance them blind,
when it feels that world of yours is spinning,
pick them up take them round again,

Sad old crow, bad old crow, mad old crow,

hop hop hopping hop over here!
