There's a light on a hill  
That's far out in the distance  
And it calls out my name  
It calls out for a change  
Far away voices  
That want their own choices  
Sigh for a plea  
As it calls out for a change

Ooh Change  
Ooh Change  
Ooh

To the root of Mankind  
It bellows out bitter winds  
Youth cry out for today  
Strength to cry for a change  
Yet it seems clear to me  
It pounds inside my soul  
Why don't we all see  
We can cry out for a change

Ooh Change  
Ooh Change  
Ooh

We can change today  
We can change today  
We can change today  
Deep inside our hearts  
There's a love  
You can feel it  
It's a love that assures  
We can cry out for a change  
The dark clouds that did dance  
To the blue skies here before me  
Make it plain to my eyes  
We can cry out for a change

Ooh Change  
Ooh Change  
Ooh
