The ultimate in flip script deliverin' many blows  
All that primate thinkin' broke off leg and elbow  
A fruit bowl delight of power knockin' down any door  
Chim Chim's laughin' at you and he's slammin' you to  
the floor

Chim, Chim's badass revenge

Wit one mega nut bomb you got blowin' up and away  
With a bounty full of Kaboom terrorizn' keep yo' hair  
arizin'  
And the sunshine reflects off, ah dah moon  
When you think it's over Chim Chim's scarface in the  
room

Chim, Chim's badass revenge  
Chim, Chim's badass revenge

Takin' um hostage  
Holdin' up the bank  
Blockin' the sewer  
Drainin' yo gas tank

Brakin' the rules  
Ignorin' the signal  
Runnin' the stop sign  
To get your peace of mind
