You all feel large, down there
You all feel large but you're looking small down there
You all feel large but you're looking small down there

It's hot so take your clothes off
And get in your drawers

Put your hammer to the walls, let's knock it
Put your hammer to the walls, let's knock it
Put your hammer to the walls, let's knock it

Put your hammer to the walls, let's knock it
Put your hammer to the walls, let's knock it
Put your hammer to the walls, baby

For all you fellas that's knockin' your dong
Don't let the girls go knockin' ya wrong
For all you fellas that's slappin' your prong
Don't let the girls go slappin' ya wrong

Because it's hot so take your clothes off
And get in your drawers

Put your hammer to the walls, let's knock it
Put your hammer to the walls, let's knock it
Put your hammer to the walls, let's knock it

Hammer to the walls, hammer to the walls
Hammer to the walls, let's knock it

For all you fellas just stretching it long
Don't let the girls go knockin' ya wrong
For all you fellas just kinging your kong
Don't let the girls go knockin' ya wrong

Because it's hot

Put your hammer to the walls, baby
And knock your gong

It's a little of that old doodleleedo
A little of that old doodleleedoo

A little of that old doodleleedoo
Skaditditditskidaleedotndeedot

A little of that old doodleleedoo
A little of that old doodleleedoo
A little of that old doodleleedoo
Skaditditditskidaleedotndeedot

A little of that old doodleleedoo
A little of that old doodleleedoo
A little of that old doodleleedoo
Skaditditditskidaleedotndeedot
