La, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la

I knew her and she knew me  
When she asks me to introduce them  
When I did we were three  
Until she tried to seduce him

I really thought our love was much too strong  
But that little slut just proved us wrong  
I still care and that's my fatal flaw  
'Cause sharing you will surely kill us all

She's just a, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la

You're nothing but a little lyin' ass bitch  
She always says she loves you  
But you know she don't care  
You're nothing but a little lyin' ass bitch  
She always says she needs you  
But you know she really don't care

You're nothing but a little lyin' ass bitch  
She always says she loves you  
But you know she don't care  
You're nothing but a little lyin' ass bitch  
She always says she needs you  
But you know she really don't care

She swears that her love's for you  
And she swears that her love never ends  
She swears that she's all for you  
As she messes around with your friends

I really thought our love was much too strong  
But that little slut just proved us wrong  
I still care and that's my fatal flaw

'Cause sharing you will surely kill us all

She's just a, la, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la, la

You're nothing but a little lyin' ass bitch  
She always says she loves you  
But you know she don't care  
You're nothing but a little lyin' ass bitch  
She always says she needs you  
But you know she really don't care

La, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la, la  
She's just a, la, la, la, la, la, la, la, la, la, la
