There is no mystery for what I try to be  
A reason for the things I do  
I try to tell you what is really false or real but  
You act as if you have no clue

You act this way when problems arise  
You act this way when problems arise

You close your eyes and hide behind a storybook  
When I have something new to tell  
If you could put aside your stubborn foolish pride  
You'd find an exit from this spell

You act this way when problems arise  
You act this way when problems arise

What you are, I don't know what  
What you are, pain in the butt  
What you are no one seems to care

Why do you always do that?  
Why do you always do that?  
Why do you always do that?  
Why do you always do that?

You act this way when  
You act this way when problems arise

You act this way when problems arise  
You act this way when problems arise  
You act this way when problems arise, yeah
