Lyrics

I had your name  
in my head with "Mrs." on it  
You had no clue what  
mine was but did not care  
I came looking  
for the mate of my soul you were  
out looking for someone just for the night

So here I go again, Dirty Girl, lay me down  
Pleased to meet you  
There you go, now you know a dirty girl  
Pleased to leave me  
Oh, don't say good-bye

I fell asleep  
to the sound of your heart beating  
But I woke up when  
you asked me to please leave  
You said "Nothing personal - it's impossible"  
You can't fall asleep  
with a girl you don't know...well, Ah hell

Here I go again, Dirty Girl, lay me down  
Pleased to meet you  
There you go, now you know a Dirty Girl

Pleased to leave  
You always say good-bye  
Why do they always say good-bye?

Walking home - 4 a.m. - once again...

Here I go again, Dirty Girl, lay me down  
Pleased to meet you  
There you go, now you know a Dirty Girl  
Pleased to leave  
You always say good-bye  
Why do they always say good-bye?

I'm walking, in the rain  
With my shoes in my hand

I look stupid in a cocktail dress at ten AM  
And I cant get a cab  
Have you seen my shoe?  
I'll call you
