From the album: True North, Released 11.14.2000

Can you tell me  
Why have I come?  
Why am I in Chicago?  
I just wanted to kiss the bride,  
I didn't think I would be seeing you  
Chorus:  
And I had to laugh  
You were shaking my hand  
As if we'd never met and I  
Had to cry  
'Cause the tears were too wet  
And my eyes were too full  
Knowing I was forgettable  
Did it ever hit you to call - no  
Phones in your Chicago?  
There's nothing that I need to convey, just  
Maybe a small "hello" from LA  
And I had to laugh  
You were searching your head  
For the right thing to say and I  
Had to cry  
'Cause the tears were too wet  
And my eyes were too full  
Knowing I was forgettable  
I can recall every face that I have ever kissed  
How did I fall on your "Miss Miscellaneous" list?  
And I had to cry  
There was no other way to express all my joy,  
And I  
Had to laugh  
When I thought of my fate  
It was all I could do  
Knowing I had escaped  
From you
