"I Will Love You"

'Til my body is dust
'Til my soul is no more
I will love you, love you

'Til the sun starts to cry
And the moon turns to rust
I will love you, love you

But I need to know
Will you stay for all time?
Forever and a day

And I need to know
Will you stay for all time?
Forever and a day

Then I'll give my heart
'Til the end of all time
Forever and a day

'Til the storms fill my eyes
And we touch the last time
I will love you, love you

I will love you, love you
I will love you, love you
