Oh she can't wait for  
What I can give  
She knows what I am  
But she won't believe me  
Is it all ok?  
Well I come off the lightness  
I can't believe it  
It's always Like this

Like this (x8)

Kept it at bay  
Yes you kept you word  
It's there on your mouth  
But it's not what I heard  
If I follow the light  
That I deem the brightest  
I won't believe it  
It's always like this

No No No No No

I'm not whole  
I'm not whole  
You waste it all  
(Repeat 3 more times)  
Ohhhhhhhh  
But I'm not whole

Oh you can't wait for  
What I can give you  
Know what I am  
So you know how I live it  
Try to look proud  
But your not in the slighest  
It's happening now  
But it's always been like this

(Like this)  
I'm not whole  
I'm not whole  
Oh you waste it all

But I'm not whole
