Mmm, mmm, mmm  
Mmm, mmm, mmm  
Mmm, mmm, mmm, mmm

I gotta turn this car around  
I never should have left you there  
Boy, this traffic is making me sick  
Boy, I can't wait to have you near

I gotta hurry, hurry, hurry now  
Quick, quick, quick  
Just step on the gas 'cause I don't wanna miss this  
See, what you're bringing me, boy, is priceless

Through strength, I found love  
In time I find myself in happiness with you

Mmm, mmm, mmm  
Mmm, mmm, mmm  
Mmm, mmm, mmm

Boy, I need to say what's in my heart  
I was scared, but I'll do my part  
I came back to tell you face to face  
So what we have won't go to waste

Sorry, sorry, sorry, I'm coming back to fix this  
You should know how I feel, I know I got you twisted  
What you're bringing me, boy, is priceless  
I gotta be out of my mind not to try this

Through strength, I found love  
In time I found myself in happiness with you  
Through strength, I found love  
In time I found myself in happiness with you

Mmm, mmm, mmm  
Mmm, mmm, mmm  
Mmm, mmm, mmm
