Can I wake you up
Can I wake you up
Is it late enough
Is it late enough
There's a story in which my eyes shut

Could you bag me up
Could you bag me up
Could you bag me up
Could you bag me up
Could you bag me up
Could you bag me up

There's a story in which my eyes shut
Is it late enough
Is it late enough
There's a story in which my eyes shut

Could you bag me up
Could you bag me up

Can I wake you up
Can I wake you up
Is it late
Is it late
Is it late
Is it late
Is it late
Late, late, late, late

Can I wake you up
Can I wake you up
Is it late enough
Is it late enough
There's a story in which my eyes shut

Could you bag me up

Could you bag me up

Can I wake you up
Can I wake you up

Is it late enough
Is it late enough
There's a story in which my eyes shut

Could you bag me up
Could you bag me up
Could you bag me up
Could you bag me up
Could you bag me up
Could you bag me up
