I could go and ask her first.  
You could try, but it won't work.  
I don't want my cover blown.  
I should do this on my own.

And the night has gone  
And I'm walking home  
But I still don't;  
I still don't know,  
And the night has gone,  
And I'm walking home.  
But I still don't.  
I still don't know.

If only,  
One of us  
Had the guts tonight.

It's so hard to find the silent type.  
Someone shy who won't spread the hype.  
Your so cold; your in this crowd.  
I am on my way now,

And the night has gone,  
And I'm walking home.  
But I still don't;  
I still don't know,  
And the night has gone,  
And I'm walking home.  
But I still don't.  
I still don't know.

If only,  
One of us  
Had the guts tonight.  
What if,  
One of us  
Had the guts tonight?
