Wha- wha- wha- wha- what did you say

Whatcha say  
Oh, that you only meant well  
Well, of course you did  
Mmm, whatcha say  
Oh, that it's all for the best  
Of course it is

I was so wrong for so long  
Only trying to please myself  
Girl, I was caught up in her lust  
When I don't really want no one else

So, now I know I should have treated you better  
But me and you were meant to last forever  
So let me in give me another chance  
To really be your man

'Cause when the roof came in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you

Whatcha say  
Oh, that you only meant well  
Well, of course you did  
Mmm whatcha say  
Oh, that it's all for the best  
Of course it is

How could I live with myself  
Knowing that I let our love go  
And, oh, when I do with one chance  
I just gotta let you know

I know what I did wasn't clever  
But me and you we're meant to be together  
So let me in give me another chance  
To really be your man

'Cause when the roof came in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you

Whatcha say  
Oh, that you only meant well  
Well, of course you did  
Mmm, whatcha say  
Oh, that it's all for the best  
Of course it is

Whatcha say  
Oh, that you only meant well  
Well, of course you did  
Mmm, whatcha say

Wha- wha- wha- wha- what did you say
