Hey, my conscious on theÃ,Â run.
It's only because I forgotÃ,Â to tell you that you're not
theÃ,Â only one.
Come, and show me whatÃ,Â you got.
My guess is better thanÃ,Â yours about what I am and
whatÃ,Â you're not.
Whoa, come on andÃ,Â hate me.
Whoa, whoa, baby comeÃ,Â and get with me.
Whoa, whoa, I'llÃ,Â show you the time of yourÃ,Â life.
Whoa, whoa, baby don't sayÃ,Â no to me.

Whoa, whoa, I'll showÃ,Â you the time of yourÃ,Â life.
Breathe, in yourÃ,Â fascination.
About how IÃ,Â overcame, how I suffered, with
ourÃ,Â asphyxiation.
You, you're not allÃ,Â that I got.
I hope with theseÃ,Â last words that I scream from
myÃ,Â mouth, that you.
