You took it off, and put it on forÃ,Â them.  
Never satisfied with no oneÃ,Â no not anything.  
You take it allÃ,Â and throw it back atÃ,Â them.  
Everything is wrong unlessÃ,Â you have your way  
again.  
TakeÃ,Â your time, don't hurry up, causeÃ,Â nothing is  
ever enough.  
EveryÃ,Â time you're around girl you'veÃ,Â forgot.  
How you try to makeÃ,Â believe in something  
yourÃ,Â not.  
Your time is runningÃ,Â out.  
Oh girl you've got so damnÃ,Â much to prove.  
It's a shameÃ,Â you'll never know how much you  
gotÃ,Â to lose.  
Your time is runningÃ,Â out.  
You shook me off, and wentÃ,Â around again.  
Never satisfiedÃ,Â with no one no not anything.  
YouÃ,Â came around, to fade away withÃ,Â them.  
Everything is wrong unlessÃ,Â you have your way  
again.
