What
Yeah uh
her we go
check check
uh what

Baby when the lights go out
(Yeah uh here we go) (check check)
I'll show you what it's all about
(Coming at you girl, you know you like this girl)
(Uh Here we go) (Check it)

I ain't sorry for the way I feel
I know you think I'm being insincere
From the way I'm treating you
I never wanted to be so unkind
The only one thing on my mind
Is just kicking it with you girl

Baby it's not the way I feel, you know you must believe
me
(you must believe)
Baby it's not part of the deal (oh no no)

Baby when the lights go out
Every single word can not express, the love and
tenderness
I'll show you what it's all about
Babe I swear you will so come to me, so baby come to
me
When the lights go out

(Uh Yeah, check it) (Check it out, second verse girl)

I know you think it may be just a lie
Ain't no use in putting up a fight
Cause my heart is set on you
I see the truth, it's in your eyes
I ain't fooled by your thin disguise
I can see I'm getting through babe

Girl don't deny the way you feel, you know you've gotta
trust me
(you've gotta trust)
Give me a chance to prove I'm real (oh yeah yeah)

Baby when the lights go out
Every single word can not express, the love and
tenderness
I'll show you what it's all about
Babe I swear you will so come to me, so baby come to
me
When the lights go out
(Baby when the lights go out)
Every single word can not express, the love and
tenderness
I'll show you what it's all about
Babe I swear you will so come to me, so baby come to
me
When the lights go out

It's a blackout girl the lights are off
I can feel you gettin' closer now take your clothes off
Your body looks so soft in between the sheets I lay you
down
Girl I wanna knock your socks off, knock your blocks off
girl I'm down for whatever
There are few things that are forever
Like you in my life girl that's all that I need to get by
Time to break it down cause you're makin me high

(Uh Yeah, I like that)
(you no me)

Baby when the lights go out
Every single word can not express, the love and
tenderness
I'll show you what it's all about
Babe I swear you will so come to me, so baby come to
me
When the lights go out

Baby when the lights go out (when the lights go out)
Every single word can not express, the love and
tenderness
I'll show you what it's all about (I'll show you what its all
about)
Babe I swear you will so come to me, so baby come to
me
When the lights go out

Baby when the lights go out (when the lights go out)

Every single word can not express, the love and
tenderness
I'll show you what it's all about
Babe I swear you will so come to me.....(fades)
