Go mr gadget go that's the name

Its the g-a-d to the g-e-t  
Gadget on the mic wanna rock with me  
Yo stop that guy with a claw for a hand  
Go mr gadget with the master plan  
Inspect the scene of the crime  
Don't make me  
But i'll hit ya with a go gadget rhyme  
When there's a problem in your town go gadget now  
If your in trouble there's no doubt he'll work it out  
Inspector gadget oh  
If ya do the crime you're gonna do the time  
Inspector gadget oh  
When he's on the case ya better hide your face  
Inspector gadget oh  
If a city's gonna be safe  
Inspector gadget oh  
He's nummber one  
Now who's that man with a master plan  
To bring peace to the land ya gotta understand  
Inspector g's the name and law's the game  
He's gotta track down claw cos the guys insane  
And so he works downtown as a...  
Looks kinda funny acts like the clown  
But he be gettin criminals lock them in bars  
Go gadget copter jet propeler cars  
He jumps up and out of the seat  
And bounces higher with the springs in his feet  
You know he'll always be around land or the sky  
And you know inspector gadget is a hell of a guy c'mon  
When there's a problem in your town go gadget now  
If your in trouble there's no doubt he'll work it out  
Inspector gadget oh  
He's gotta badge on his chest and you know he's the  
best  
Inspector gadget oh  
Anywhere that ya hide gadget will find ya  
Inspector gadget oh  
If a city's gonna be safe  
Inspector gadget oh
