(If you wanna dance,
This is our chance,
If you wanna dance,
Let's take our chance)
Jiggy jump to the beat
Keep bouncin',
30 seconds and counting
Hot one, this choice critical
Situation is difficult
My calibre won't allow me to rhyme
On a level where you
People can hear me
See me, guess I know
You wanna be me
In the meantime
Bounce to the beat
Sing,

Music is my life
'Cause my life is music
The beat of the
Drum in your heart

Let's dance (Feel it
Can't you feel it?
Don't you know)
Let's dance
(If you feel it,
Better believe it,
Here we go)
Let's dance
(Always comes together
On the floor)
Let's dance
(You know that
You've got what I like)

Check it out,
Droppin' verbal bombs on the beat,
Hopin' that you people
Think this sound is unique,

'Cause I like to party, like to party,
Come on everybody, get it started,
I got something to get you jumpin'
When I kick the freaky rhyme
I'll get the dancefloor thumpin'
Just step back and
Take time to check
When I rock up on the mike
You people never forget
Check it out

Music is my life
'Cause my life is music
The beat of the
Drum in your heart

Let's dance (Feel it,
Can't you feel it?
Don't you know)
Let's dance
(If you feel it,
Better believe it,
Here we go)
Let's dance
(Always comes together
On the floor)
Let's dance
(You know that
You've got what I like)

Let's dance (Feel it,
Can't you feel it?
Don't you know)
Let's dance
(If you feel it,
Better believe it,
Here we go)
Let's dance
(Always comes together
On the floor)
Let's dance
(You know that
You've got what I like)

(You know
You've got what I like)

If you wanna dance,
This is our chance
If you wanna dance,
Let's take our chance

If you wanna dance,
This is our chance
If you wanna dance,
Let's take our chance

You know that
You've got what I like
You know that
You've got what I need
(If you wanna dance)
(C'mon)
You know that
You've got what I like
(Oh yeah)

Music is my life
'Cause my life is music
The beat of the
Drum in your heart

Let's dance (Feel it,
Can't you feel it?
Don't you know)
Let's dance
(If you feel it,
Better believe it,
Here we go)
Let's dance
(Always comes together
On the floor)
Let's dance
(You know that
You've got what I like)

Let's dance
(If you wanna dance)
(Feel it, can't you feel it?
Don't you know)
Let's dance
(If you wanna dance)
(If you feel it,
Better believe it,
Here we go)
Let's dance
(Ooh, oh)
(Always comes together
On the floor)
Let's dance (Ooh, oh)
(You know that
You've got what I like)

Let's dance
(If you wanna dance)
(Feel it, can't you feel it?
Don't you know)
Let's dance
(If you wanna dance)
(If you feel it,
Better believe it,
Here we go)
Let's dance (Ooh, oh)
(Always comes together
On the floor)
Let's dance (Ooh, oh)
(You know that
You've got what I like)
