Exuse me can you help me straighting out my head?
O gotta new friend by the name of Mr Z
Well what's wrong with that don't you like what you
see?
Hmm... If I had a choise yo I'd rather be me
You see he's kinda not like a kinda average kinda guy
Kinda say What make ya kinda say why
Did you see that what he did to his cat
It's all big and fat and now it wears caps
Here we go again

Mr Zuvaloppa got a crazy life
With a house on the conor for his kids and wife.
Works all day trying' to make ends meet
Just the same as everybody does down
His street
Mr Zuvaloppa got a brand new car
But he likes a little drink so he can't drive far
He used to have a mini but he's six foot four
Mr Zuvaloppa don't want it anymore

Yo you gotta sitt back relax while
I hit you with a tale of a guy
Who would try but he's always gonna fail
M I S T E R Z he doesn't relaise
That it thatit wasn't really ment to be
Him at the top he never wanna stop

The fool up in the pool doin'
A bigg belly flop
Now even sunbathing he could
Never get it right
Cause he even tried to do it in the middle of the night

Mr Zuvaloppa got a crazy life
With a house on the conor for his kids and wife.
Works all day trying' to make ends meet
Just the same as everybody does down
His street
Mr Zuvaloppa got a brand new car
But he likes a little drink so he can't drive far

He used to have a mini but he's six foot four
Mr Zuvaloppa don't want it anymore
