We're causin' utter devastation
When we're stepping to the place
And better believe that you can see
We're gonna rock and never stop
And here we go again
Hit you with the flow again
Kick it up the second time around
We'll bring it on again - shout it out

Buddy you're a boy
Make a big noise playin' in the street
Gonna be a big man some day
You got blood on your face, yo' big disgrace
Kicking your can all over the place
(Singing)

We will, we will rock you (ha haa)
We will, we will rock you

(Come on)
How about little something to get you in the mood
Know what I mean?
Watch your back, we got Queen on this track
Bring the feedback, and let it drop
As long as Five bring the funk
Queen bring the (Rock)
And it don't stop

Buddy you're a young man
Hard man, shouting in the street
Gonna take on the world some day
You got blood on your face, big disgrace
Waving your banner all over the place
(Singing)

We will, we will rock you (we gonna rock, we gonna
rock, ye' baby)
We will, we will rock you (we gonna rock X3 ye'!)
We will, we will rock you (we gonna rock, we gonna
rock, ye' baby!)
We will, we will rock you (Ha haa)

Go, go, go, go, go, go, go, go,

(Ah)

Buddy you're an old man, poor man pleading with your
eyes

Gonna make you something some day

You got mud on your face, big disgrace

Somebody better put you back in your place

(Singing)

We will, we will rock you (we gonna rock, we gonna
rock, ye' baby)(come on)

We will, we will rock you (Yeah! YEAH! WOAAH!!)

We will, we will rock you (We gonna rock ye'!)

We will, we will rock you (we gonna rock, we gonna rock
ye baby!)

We will, we will rock you (We gonna rock ye'!)

We will, we will rock you X3
