Fitzgerald Patrik
"When The Lights Go Out"

(Yeah)
(I like that)
(You know what I mean)
(You're looking kind of fly tonight, girl)
(What's up?)
(Check it)
Baby, when the lights go out
(Hey)
(Yeah, yeah)
I'll show you what it's all about
(Coming at you, girl)
(You're gonna like this, girl)
(Here we go)
(Check it)
I ain't sorry for the way I feel
I know you think I'm being insincere
From the way I'm treating you
I never wanted to be so unkind
The only one thing on my mind
Baby it's not the way I feel
You know you must believe me
(Must believe)
Baby, it's not part of the deal
Oh no no
(Chorus)
Baby, when the lights go out
Every single word could not express
The love and tenderness
I'll show you what it's all about
Babe, I swear you will succumb to me
So, baby, come to me
When the lights go out
(Ah, yeah, check it)
(Check it out)
(Second verse, girl)
I know you think it may be just a lie
Ain't no good in putting up a fight
'Cos my heart is set on you
I see the trust is in your eyes
I ain't fooled by your thin disguise
I can see I'm getting through, babe

Girl, don't deny the way you feel
You know you gotta trust me
(You gotta trust)
Give me the chance to prove I'm real
Oh yeah, yeah
(Repeat chorus twice)
When I flick da switch
Make your hips wanna dip
Now I can get you off
'Cos I'm ready and equipped now
Swing for me, baby
Give me all that you got
Never wanna stop
'Cos you make me feel hot
I know what you wanna do
And that I feel the same way too
Give you what you want
Through the days and the night
Yeah, it's about time
That we turned out the lights
(Yeah, I like that)
(What's up?)
(Check it)
(Repeat chorus)
Baby, when the lights go out
(When the lights go out)
Every single word could not express
The love and tenderness
I'll show you what it's all about
(I'll show you what it's all about)
Babe, I swear you will succumb to me
So, baby, come to me
When the lights go out
(Repeat chorus to fade)
