Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
So what else can you do?  
You've said all you have to  
We're coming after you  
So don't make a sound  
(Don't wanna let you go)

I got this feelin'  
Could it be there's someone watching over me  
Tell me who you are?  
I close my eyes and count from nine  
To try and find some peace of mind  
But it's gone too far

You see our faces every time you turn your head  
around  
We'll be watching even when you turn the lights down  
We will always be around  
No matter, where you are

Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
So what else can you do?  
You've said all you have to  
We're coming after you  
So don't make a sound  
(Don't wanna let you go)

I'm all alone now in the dark  
Just one chance so we can talk  
That is all I ask  
I close my eyes and then I dream  
I always wake up to a scream  
Wonder where you are?

Don't you know we're always gonna be around you?  
And there really isn't anything you can do

We will always be around  
No matter where you are

Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
So what else can you do?  
You've said all you have to  
We're coming after you  
So don't make a sound  
(Don't wanna let you go)

(Don't wanna)

Yea yea  
C'mon  
Yeah  
Ahh ahh  
Yea yea  
C'mon

Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
So what else can you do?  
You've said all you have to  
We're coming after you  
So don't make a sound

Don't wanna let you go  
We just wanna tell you  
Just wanna let you know  
That we'll stay around  
So what else can you do?  
You've said all you have to  
We're coming after you  
So don't make a sound  
(Don't wanna let you go)
